INFORMATION REGARDING MANCHESTER ROYAL INFIRMARY

It is important to note the following regarding this hospital site and contact us immediately if you anticipate any problems.

The walk from the teaching area (Phase 2 Lecture theatre in MRI) to the new Children’s Hospital, where the Emergency Department tours take place, is a good 5 minutes (each way)! If you have pupils and or supporting adults who have mobility difficulties and would be unable to negotiate this, please phone us as soon as possible to discuss.

TRAVEL

COACH

Please ask the driver to drop off/collect on Grafton Street which is near MRI Entrance 1 (see over for hospital site map).

MINIBUS/CARS

There are car parks on Grafton Street and Hathersage Road. Due to building/redevelopment work it can be difficult to get spaces. After 9:30 am parking restrictions on a lot of the roads around the hospital site are lifted so it may be useful to consider these.

PUBLIC TRANSPORT/WALKING

There are a number of bus stops on Oxford Road and Upper Brook Street.

ENTERING THE HOSPITAL

Come into the hospital (MRI) via Entrance 1. Our base for the morning is the Phase 2 Lecture Theatre. If an I.M.P.S. Trainer is not available to meet you then please report to the Reception Desk, or come directly to the Lecture Theatre (located on the left immediately beyond the Rendezvous Café).

DO NOT REPORT TO THE ADULT OR CHILDREN’S EMERGENCY DEPARTMENTS

In the event of any issues on the day of your visit then please phone the IMPS office number (0161 276 6955). If you leave a message on the voicemail leave a number that we can phone you back on (mobile if you have left or are about to leave school).

Many thanks in anticipation of your help and support in these matters.

See overleaf for map of Manchester Royal Infirmary (MRI) and Central Manchester University Hospitals NHS Foundation Trust (CMFT) site.
